

FILMBYOASIS

ABOUT

- Why hire us?

We believe in the principle of wherever you want to be seen and our brand is the perfect channel and tool for this disposition. We work across all mediums of contents for the maximization of engagement and our clients' end goals.

PROFILE

Filmbyasis is an independent film and television production company based in Lagos, Nigeria and established in 2023.

We specialize in featured light documentary, short films, digital contents and advertising. We have expanded our reach and communications in all societal classes. Our works have been nominated in different categories of awards. Our films have been screened in Nigeria, Britain, and some other parts of the world.
